

## Visitor Information

### COME READY TO DO BUSINESS

The Invest in Africa - Build Africa Conference and Exhibition will provide you with a one-stop-shop (start to finish process) on how to invest in the African real estate market and stock markets. Exhibitors will be present to explain the process of purchasing, developing and managing your property and other investments. In addition, there will be consultations on how best to perform these processes away from home. There will be experts and professionals to offer advice on Legal issues, Property Management, Maintenance costs, Sale process, Transaction periods etc

During the event, attendees will be able to speak directly to developers, mortgage companies, government officials, estate agents, property surveyors, valuers, conveyancers, stockbrokers, bankers and other real estate and finance professionals. There will also be seminars educating attendees about the process of buying land and property in Africa; finding a good estate agent to manage your property; developing property; getting a mortgage and hot sectors to invest in. You will also learn of the various investment options available in African markets including:

- Buying off plan
- Buying ready built property
- Buying land
- Property development and joint ventures
- Investing in stocks and shares
- investing in IPOs - Initial Public Offerings

Investors will be able to have 1-to-1 discussions with mortgage providers; developers and property professionals. So come ready to do business!

The Exhibition is FREE to attend. To register for this event [click here](#)

Only exhibitors who have paid for the event will be allowed to distribute any literature at the event. No soliciting or handing out of flyers, brochures or any form of literature will be allowed at or near the exhibition centre.
